

My Mosler Biography:

Eunice Maynard- I was hired by Gene Gabbard the summer of 1969 to work as a temporary Order Typist in the Service Parts Dept. at the Belle Avenue plant. When summer was over, I was off to Miami as a commuter student. Near the end of my freshman year my car broke down and, with no money to fix it, I had to go to work. Gene Gabbard hired me a second time and I never made it back to college.

I worked as an Order Typist and a Billing Clerk while in the Parts Dept. and then an opportunity opened to work in Personnel with Marge Craycraft at the American Standard building on Route 4. After a short stint in Personnel, I returned to Service Parts to work as Gene's secretary. Those were good times working with Gene, Jerry Wallace, Peggy Scherrer, Linda Reace, Gary Brees, Elby Harrison, Charlie Schenk, Maryann Mullen, Jeanne Chitwood, Rosie Lively and so many others.

I was later recruited by Joe MacDonald to work as his secretary on "executive row" on Grand Blvd. Helen Emmerling, Molly Johnson, Caroline Tewell, and Sandy Baker were my "neighbors" along the row.

My last position was working as Pete Wasserman's secretary; but after my son was born, I wanted to have more time with him. I was offered a part-time position working for Joe Patton and Jim Husvar reading blueprints of new bank facilities for market share studies and continued to work on special projects until I became a full-time stay-at-home mom in 1984.

For the last 21 years I've worked as the Librarian at Ross Middle School. My husband, Steve, and I have been married for 42 years. We have a son, a daughter, and a granddaughter, with another grandchild on the way.
